

Job Announcement

Arborist – Field Supervisor

Job Title

Arborist-Field Supervisor

Department

Tree Planting

Location

Washington, D.C.

Classification

Full-Time, Exempt

Employment Terms

At Will

Reporting to

Director of Tree Planting

Summary

The Arborist-Field Supervisor executes the day-to-day operations for all tree planting, care and related activities in the Tree Planting Department, including the management/oversight of Tree Planting Crew members and their daily tasks. The position is also responsible for use, maintenance, inventory and management of all vehicles, tools and equipment. The Arborist-Field Supervisor reports to the Urban Forestry Manager and interfaces with members of other departments in the execution of their work. The incumbent maintains a general knowledge of best practices in horticulture, forestry, and urban forestry in order to achieve the mission of Casey Trees.

Essential Functions

The following essential functions are representative for the Arborist-Field Supervisor in its entirety – including but not limited to:

Supervision & Field Operations Management

- Inspects and evaluates work outputs of tree planting staff; provides clear direction and feedback to ensure quality work, on-time completion, and superior quality
- Ensures adherence to organizational policies and procedures including, but not limited to: attendance, timeliness, conduct, professionalism, appearance, customer service, etc.
- Supports the UFM with personnel management including, but not limited to: onboarding, training, performance evaluation, timesheets, critical feedback and discipline
- Promotes a safety culture by coordinating staff trainings and eliminating/controlling hazardous conditions resulting from human error, equipment and machine operations that may lead to human injury and/or property damage

General Functions:

- Selects, delivers, plants, prunes, inventories, waters and cares for trees
- Operates trucks, trailers, heavy machinery, and hand and power tools in a safe manner
- Conducts daily vehicle safety inspections
- Conducts regular vehicle, equipment and tool maintenance, including office, landscape and grounds upkeep, as directed
- Demonstrates professionalism, modeling positive behaviors for staff and volunteers
- Provides exceptional customer service for internal and external stakeholders
- Assists with tree procurement activities including sourcing, invoicing, deliveries, inventory and reconciliation
- Provides logistical support during trainings, classes, workshops, tours, demonstrations, etc.
- Collaborates across the organization as required to execute grants, contracts, and programs
- Performs other duties, as requested

Competencies

- Field Work
- Self-Motivation
- Mentorship/leadership
- Safety Orientation
- Communication Proficiency
- Volunteer Focus

Position Type/Expected Hours of Work

This is a full time position. The schedule will be determined based on planting seasons and volunteer demands. The incumbent must be able and willing to work evenings, weekends, and extended hours when needed.

Travel

Travel is primarily local during the business day, although some out of the area travel and overnights may be expected.

Required Qualifications

- Two (2) years of work experience in horticulture, landscaping, forestry, urban forestry or related field
- Valid driver's license with clean driving record and experience and ability to safely drive work vehicles including a pickup truck and trailer
- Good communication, organizational, and interpersonal skills
- Professional demeanor and the ability to interact and work with a variety of audiences
- Ability to work both independently as well as in a team environment
- Proficiency with Microsoft Office Suite (word, excel, outlook, PowerPoint, etc.)

Preferred Qualifications

- Two (2) years of supervisory experience managing field crews of diverse backgrounds and skill levels
- Associate degree in horticulture, landscaping, forestry, urban forestry or related field
- Arborists' certification from the International Society of Arboriculture

Compensation

Excellent benefits including health, dental, vision, paid holidays, and time off.

Please note that final candidates will be subject to a background check at time of conditional offer.

Equal Employment Opportunity Policy

Casey Trees is proud to be an Equal Opportunity Employer.

Who We Are

Casey Trees is a Washington D.C.-based nonprofit, established in 2002, committed to restoring, enhancing and protecting the tree canopy of the nation's capital. To fulfill this mission, we plant trees, engage thousands of volunteers in tree planting and care, provide year-round education courses, monitor the city's tree canopy, develop interactive online tree tools and work with elected officials, developers, and community groups to protect and care for existing trees and to encourage the addition of new ones.
