

DC CANOPY & CARBON JUSTICE PROGRAM

Free environmental leadership training for youth in Washington, DC Wards 7 & 8.

AI-GUIDED TREE PLANTING & YOUTH ENERGY-EQUITY TRAINING IN WARDS 7 & 8

Join us for a free youth training that combines environmental science, technology, and community action to create cooler, healthier, and more sustainable neighborhoods.

YOUTH STIPEND

Eligible participants who successfully complete the training will receive a youth stipend.

CERTIFICATE OF PARTICIPATION

Earn a certificate upon successful completion of the training.

IN THIS TRAINING, YOU WILL EXPLORE:

Urban heat

Tree canopy

Summer cooling and energy burden

Decarbonization

Artificial intelligence for environmental solutions

Environmental stewardship

Green career pathways

We use artificial intelligence and environmental data to help identify locations where trees can provide the greatest cooling, carbon, and community benefits.

WHO CAN PARTICIPATE?

Youth ages 12–21

Priority will be given to **youths under 18** within the 12–21 age range.

TRAINING LOCATIONS
